Congratulations on your engagement!

Thank you for registering to attend the destination wedding & honeymoon expo- **A Brides Expo** slated for **Sunday November 22, 2020** at the Bon Aventure Resort & Spa. Due to the outbreak of the Corona Virus –COVID-19, and the timeline as to when quarantine will slow and be eradicated. We still have not received industry clearance to have the event. We have now made the decision to postpone the event until **Sunday February 28, 2021**.

In the event we are unable to have it in **February 2021** because of the Corona virus, we will then have the expo as a **virtual event**

We recognize this can be frustrating for couples trying to plan a wedding; however, we must follow the strict guidelines set in place at this time. The NIH officials suggesting that large gatherings should be cancelled due to the outbreak, because of the risks of spreading the virus. The well being and safety of our attendees, exhibitors, and staff is our first priority.

We are committed to helping all of our patrons through this very challenging time

More information and updates will be posted on our website [www.abridesexpo.com](http://www.abridesexpo.com) and social media pages.

We will get through this difficult time. In the meantime, let's be kind to each other, practice good hygiene, and stay healthy.

Thank you kindly,

A Brides Expo Team
